She's one of those girls who  
Seems to come in the Spring  
One look in her eyes  
And you'll forget everything  
You had ready to say  
And I saw her today, yeah

[CHORUS]

A younger girl keeps  
Rolling cross my mind  
No matter how much I try  
I can't seem to leave  
Her memory behind  
I remember her eyes  
Soft, dark and brown  
Said she'd never been  
In trouble or even in town  
A younger girl keeps  
Rolling cross my mind

A younger girl keeps  
Rolling cross my mind

And should I hang around  
Acting like her brother  
In a few more years  
They'd call us right for each other  
But why, if I wait  
I'll just die, yeah

[Repeat CHORUS]

She's one of those girls who  
Seems to come in the Spring  
One look in her eyes  
And you'll forget everything

She's one of those girls who  
Seems to come in the Spring  
One look in her eyes  
And you'll forget everything
