You'd better face those facts  
It's the blind leadin the blind  
And there ain't no turning back  
There's a rhythm to this madness  
And I think it's gettin strange  
I can feel it in the air it's time  
We gotta rearrange  
It's time for us we gotta make  
The crucial change

Face the facts  
Nation against nation  
And it's just so plain to see  
That's the way that cats  
And dogs wanna be  
Hate to think what  
The future's got in store for me  
Got a stomach full  
And just can't take it no more
