Satan servantic nocturniwarrior
Bloodhunger lust and Satan
The mighty Diablo is Saatana
This is the human sacrifice
Dark occultic Satanha ritual

In the night of Hell we rape and occult
Chthulhusatan is here and ready to kill
You and your soul in blasphemy

Black Funeral Holocaust right!
We slash and slice You bleed in this night of
Black Funeral Holocaust Rite
We slash and slice you bleed!

We wash ourselves In the golden showers of Sahara!
