We are serving Satan
Everything is for Satan
Eternal warlord Satan
We cannot die with Satan
The world is killed by Satan
Habitus Nekromaur through Satan
Might of Hell is from Satan
Battling against Jesus with Satan
At war with Satan
We want to be Satan
God is sodomized by Satan
Jesus is also sodomized by Satan
Hell is ruled by Satan
Hellfire is enlightened by Satan
Soon we will be the warriors of Satan
First we have to serve Satan
666 years of serve Satan
Throatcut by the knife of Satan
Sky is black and Satan
Angels are in love with Satan
