Somewhere in the maze  
Mankind's solace is rendering  
Throughout the starlit haze  
The woven rim groans eagerly

Monochrome forecast of the future  
Poetry of the incoherent rhymes  
Is the last speech of mother earth  
End of the journey the fall of night  
The curtains of greed fade the light

A history of evolution  
Ages of constructions  
Moments of endurance  
The glimpse of reproduction  
Selection evolving to perfection  
Balancing without distraction  
A glorious heritage  
Left behind, by the blind

Somewhere in the face  
The children's tears sparkle  
Yet there is no place to become  
Neither father nor mother  
Neither brother nor sister  
Deportation

Ice melted, water drained  
Skies are red, air that chokes  
The shallow horizon stains  
Trees blooms in grey  
Not for another day  
Deportation

A history of evolution  
Ages of constructions  
Moments of endurance  
The glimpse of reproduction  
Selection evolving to perfection

Neither father nor mother

Neither brother nor sister  
Deportation
