Hail beloved, Crone kami,
Madadaya daa pati,
Sa room 65, mayong kuryente, pirming binabaha,
Si Ma'am Irma teacher mi,
Pirming nasa taid mi,
Though nagca-cry siya 'pag may problema, hanga pa
rin kami.

Si Ma'am Nelly Physics mi, pine-pressure niya kami,
Pero dai ka, 'pag nagbagsak ka todo suporta siya,
Sir Narvadez MAPEH mi, pina-Hips Don't Lie kami,
Great Vine ng great vine, single, double, double,
Â“Hep, sala ang step mo Dear!Â”

Though DAT we bomba, out in the school we may roam,
Fondly she callled all of our parents together,
Mum ni Altar, punishment ia-acquit,
Family day, and hearing too,
Â“Tama na Pa!Â” sabi n'ya.

On we go office thru, CGMC cancelled na,
Zero DAT, failing grades, Physics baragsakan pa,
Suspended for two days, honors pinagkait pa!
Sabi ni Nely: I want to see you're sorry
Paghirapan CGMC.

Hail beloved, Crone kami,
Nagkasala man kami,
Papatunayan mi sa loob mi,
Good kids pa rin kami,
Good kids pa rin kami!!!
