I'm to real to clean to fresh to hot  
To crunk to high cause my eyes bloodshot  
That's me, that's me, that's Certified Cronik  
That's me, that's me, that's Certified Cronik

[Repeat]

[Verse 1]

Certified real, gettin heard I will  
Get a certified deal, earn a certified mill  
Got fans on deck, Yums on deck, Cronik on deck  
Wit a million dollar check, I talk business  
It's all I know, all I do is make deals smoke dro  
And do shows, been rappin one year but I'm rappin  
Like a pro, I'm a certified teen, 17 on the scene  
Didn't have much, all I got is my dream  
Certified gold made my certified chain  
Got a certified name spittin certified flame  
I'm certified Cronik you a certified lame  
All I do is be me, you can't even be you  
What you really need to do is learn to be true  
Cause a fake person is somethin I can see through  
Cause a fake person is somethin I can see through

[Hook]

[Verse 2]

Certified Cronik gets you high certified  
Cronik ain't a hot, that's a certified lie  
So is it worth a try to even go against me  
Been through so much beef but nobody ends me  
Cause I analyze their lyrics and send em right  
Back to em, it sounds fucked up, but that's, how I do  
em  
I hate to see a rapper act like another rapper  
You ain't foolin me, you a certified acter  
There's a million followers, and a million wannabes  
In the middle of it all, what sticks out is me  
Certified Cronik means you one of a king  
Certified Cronik means you win all the time  
Certified Cronik is the hottest you'll find  
C-e-r-t-i-f-i-e-d C-r-o-n-i-k, that's me!

[Hook]

[Verse 3]

I ain't the best I ain't the worst  
This is just a preview, I am the shit  
Just look at my reviews, It's like I got cut  
Cause my fans bleed through, my city, my state  
The whole USA, I grind hard damn what else can I say  
I won't stop making music til the end of my days  
I'm like 50, Jay, and Em, all in one  
I'll be gettin all my bread I'm never done  
Til the war is won and I'll be rich  
We all know that life's a bitch, gotta keep goin  
Never will I quit, I roc Yums cause they match my outfit  
Got Lokust on the beat cause it's what my style fits  
And all you lil haters, is just childish  
Mad I got hot hits, and they got mild hits  
I know you mad as hell cause you know you like this  
I know you mad as fuck you can't write like this!
