I see your eyes and I see a change
I see your eyes and I see a change
Runnin' through you
You can't deny you let the pain
Just consume you

I'm takin' no blame
I'm feelin' the same
I feel ok...

If my friends have gone
Gone away from me
I've got no shame
If I look and no one's
There for me
I've got no shame

When you walk away and you don't look back
And I'm left stranded
Now it's clear to see your heart is black

So empty handed

I'm takin' no blame
I'm feelin' the same
I feel ok...

If my friends have gone
Gone away from me
I've got no shame
If I look and no one's
There for me
I've got no shame

I'm takin' no blame
I'm feelin' the same
I feel ok...

If my friends have gone
Gone away from me
I've got no shame
If I look and no one's

There for me
I've got no shame

I GOT NO SHAME!
