Everyday I'm playin'Â'  
Till my fingers bleed  
The only thing that matters  
All I need

Plug me in, turn it up  
I'm livin' proof - can't get enough  
Don't wanna work; just wanna play  
Ever since that dayÂ'...

I had a rock and roll dream - and I was the star  
I went around the world Â- playin'Â' my guitar  
I was livin'Â' the life - if you know what I mean  
Â'Cuz every boy needs - a rock 'n roll dream!

You know I got to get out  
Take it on the road  
A never-ending party  
So I'm told

Different town every night  
On the stage feelin'Â' right  
I'll never stop, ain't no fad  
I know I got it bad...

I had a rock and roll dream - and I was the star  
I went around the world Â- playin'Â' my guitar  
I was livin'Â' the life - if you know what I mean  
Â'Cuz everybody needs - a rock 'n roll dream!

I had a rock and roll dream - and I am the star  
I went around the world Â- playin'Â' my guitar  
I was livin'Â' the life - if you know what I mean  
Â'Cuz everybody needs - a Rock 'N Roll Dream!

And I am the star  
I go around the world - playin' my guitar  
I am livin' the life - You know what i mean!  
All of us need a Rock 'n Roll Dream!

A Rock 'N Roll Dream! Yea

A Rock 'N Roll Dream! Yea!!

You know what I mean!!

Come On!!!!!!!
