I hear you tellin' me you think I'm too young
I got so many things I wanna get done

I can't slowdown
It's not my way
I see the whole world comin'
Startin' today...

Time is now
I can't wait
Tomorrow might
Be too late
Time is now

So many places that I wanna get to
But there's so little time - I'm findin' it's true

I'm in head first
Findin' my way
This world is for the takin'

Startin' today...

Time is now
I can't wait
Tomorrow might
Be too late
Time is now
I can't wait
Tomorrow might
Be too late
Time is now

This is the moment
If not today when?
We only got one chance can't do it again

Time is now
I can't wait
Tomorrow might
Be too late
Time is now

I can't wait
Tomorrow might
Be too late
Time is now
