(V1)Fourth down, 50 to go
One more chance, one more hope
Hail Mary, right down the line
Gotta take my shot, now's my time

(V2)You know, when you're in the game
You're gonna have to feel some pain
Get it on, not give it out
That's what it's all about

(Pre)Well they might beat me
But it won't defeat me

(Ch)You gotta bleed sometimes
To get what you need sometimes
Sooner or Later, you're gonna see
You gotta bleed

(V3)I shoot tryin to score
If I miss, I try some more
Might be down, oh, but never out
In case you ever had a doubt
(V4)At the bottom lookin' down
What goes around, comes back on around
You gotta do, what you gotta do
To find a way to make it through

(Pre2)Well it might shake me
But it won't break me

(Ch2)You gotta bleed sometimes
To get what you need sometimes
Sooner or Later, you're gonna see
You gotta bleed

(Ch3)You gotta bleed sometimes
To get what you need sometimes
Sooner or Later you're gonna see
You gotta bleed

You gotta bleed
Sooner or Later, you're gonna see

You gotta bleed

You gotta bleed 2x
