By Stephen Stills

One morning I woke up and I knew
You were really gone
A new day, a new way, I knew
I should see it along
Go your way, I'll go mine and
Carry on

The sky is clearing and the night
Has gone out
The sun, he come, the world
is all full of light
Rejoice, rejoice, we have no choice but
To carry on

The fortunes of fables are able
To sing the song
Now witness the quickness with which
We get along
To sing the blues you've got to live the tunes and
Carry on

Carry on
Love is coming
Love is coming to us all

Where are you going now my love?
Where will you be tomorrow?
Will you bring me happiness?
Will you bring me sorrow?
Oh, the questions of a thousand dreams
What you do and what you see
Lover can you talk to me?

Girl when I was on my own
Chasing you down
What was it made you run?
Trying your best just to get around.
The questions of a thousand dreams
What you do and what you see
Lover can you talk to me?
