Fiddle Music (c) 1988. Recorded March 2nd, 1988.

People put me down, say that I'm a fool

But I got news for them,

I ain't never goin' back to driving school (driving school).

And I ain't too good with numbers

And I've run out of fuel

Here comes another corner baby,

Let me demonstrate my slide rule (slide rule)

Driving thunder, rollin' down the highway,

Just one way to go, just one way to go,

Just one way to go, hey, hey, and that's my way.

I stopped into the courthouse

Had to pay some bills

Got talking with the judge

About the finer points of my driving skills (driving skills).

He said "Son you only drive that way

Tryin' to get your thrills

But bear in mind your driver's license

Ain't never been no license to kill." (License to kill)

Driving thunder, rollin' down the highway,

Just one way to go, just one way to go,

Just one way to go, hey, hey, and that's my way.

Driving school, slide rule, driving skills, license to kill.

Driving thunder, rollin' down the highway,

Just one way to go, just one way to go,

Just one way to go, hey, hey, and that's my way.
