I Was With You, You Were Alone, Now I'm Standing
Here.

Wisdom Came Only After You'd Gone.

So I'm Starting All Over With A Tear In My Eye

I Just Never Thought That You'd Disappear.

In The Night Your Image Arises, Close Behind Comes
The Pain.

I Hope I'm Dreaming 'Cos It Hurts So Bad.

When I Reach Out For You, I'm Alone In Some Room.

I Just Never Thought That You'd Disappear.

I Still Love You Like A Child, Wasn't I Good Enough?

I Still Want You, Drives Me Wild, Haven't We Had It
Rough,

Haven't We Lost Enough?

Time Heals All So They Say, I Don't Know.

Sometimes Nothing Is Clear.

Maybe Someday I'll Understand.

But I Know For A Start There's A Place In My Heart

That Is Yours And It Won't Disappear.

I Still Love You Like A Child, Wasn't I Good Enough?

I Still Want You, Drives Me Wild, Haven't We Had It
Rough,

I Still Love You Like A Child, Wasn't I Good Enough?

I Still Want You, Drives Me Wild, Haven't We Had It
Rough,

Haven't We Lost Enough?
