From the album four way street

When you're down and confused
And you don't remember who you're talking to
Concentration slip away
Because your baby, is so far away

Well there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love.. honey

Love the one you're with Love the one you're with
Love the one you're with Love the one you're with

Don't be angry don't be sad
Don't sit cryin' over good times you had
There's a girl right next to you
And she's just waiting for something to do

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with Love the one you're with
Love the one you're with

Do it do it do it

(Instrumental)

Love the one you're with love the one you're with
Love the one you're with love the one you're with
Turn your heartache right into joy
She's a girl and you're a boy
Get it together, make it tonight,
You ain't gonna need any more advice

And there's a rose in a fisted glove
And the eagle flies with the dove
And if you can't be with the one you love honey
Love the one you're with Love the one you're with
Love the one you're with Love the one you're with

Do it do it do it
