We're All On Our Own
Look At Us All
How Can We Not Raise A Voice
Against The Madness
There Isn't The Time
To Worry Or Wait
Cause Only The Young Can Carry The Weight And Face
The Silence
Do We Run?
Do We Stop?
Do We Lie Down?
I Think Not
There Is An Answer
That We've Got
We Are Not Helpless
The Vision Will Stand
As Blindness Will Fall
Now We Must Look For The Light In The Darkness
Do We Run?
Do We Stop?
Do We Lie Down?
I Think Not
There Is An Answer
That We've Got
We Are Not Helpless
