Music (c) 1988. Recorded May 10th, 1988.

I can't stop thinking 'bout her

'Cos she's mighty fine and I would be lying

If I didn't speak up now,

Say what's on my mind, almost any old time.

I'm ready to choose that girl

I couldn't refuse that girl

You'd better not lose that girl

I just might let myself fall in love

That girl is all the woman I'm dreaming of.

So many years you've been a true friend of mine,

But I draw the line and I ain't gonna run no number

But you gotta know if you let her go

I'm ready to choose that girl

I couldn't refuse that girl

You'd better not lose that girl

I just might let myself fall in love

That girl is all the woman I'm dreaming of.

Can't you see, we gotta get to know

How far this can go

You and me we gotta get it right

'Cos this ain't love at first sight

I want you to understand that I can't help myself.

And I'm gonna be right there with you

Only time will tell if it was only me that fell.

I'm ready to choose that girl

I couldn't refuse that girl

You'd better not lose that girl

I just might let myself fall in love

That girl is all the woman I'm dreaming of.

(Choose that girl, refuse that girl, lose that girl.)
