Over the years you have been hunted  
By the men who threw harpoons  
And in the long run he will kill you  
Just to feed the pets we raise,  
Put the flowers in your vase  
And make the lipstick for your face.  
Over the years you swam the ocean  
Following feelings of your own  
Now you are washed up on the shoreline  
I can see your body lie  
It's a shame you have to die  
To put the shadow on our eye  
Maybe we'll go  
Maybe we'll disappear  
It's not that we don't know  
It's just that we don't want to care.  
Under the bridges  
Over the foam  
Wind on the water  
Carry me home.
