One morning I woke up and I knew

You really gone

A new day, a new way, I knew

I should see it along

Go your way, I'll go mine

Carry on

The sky is clearing and the night

Has gone out

The sun, he come, the world

Is all full of light

Rejoice, rejoice, we have no choice

We've got to carry on

The fortunes of fables are able

To sing the song

Now witness the quickness with which

We get along

To sing the blues you've got to live the tunes

Carry on

Carry on

Love is coming

Love is coming to us all

Where are you going now my love?

Where will you be tomorrow?

Will you bring me happiness?

Will you bring me sorrow?

Oh the questions of a thousand dreams

What you do and what you see

Lover can you talk to me?

Girl when I was on my own

Chasing you down

What was it made you run?

Trying your best just to get around.

The questions of a thousand dreams

What you do and what you see

Lover can you talk to me?
