Neil Young

When the dream came

I held my breath with my eyes closed

I went insane, like a smoke ring day

When the wind blows

Now I won't be back till later on

If I do come back at all

But to know me (you know me)

And I miss you now

In a strange game

I saw myself as you knew me

When the change came

And you had a change to see through me

Though the other side is just the same

You can tell my dream is real

Because I love you (I love you I do)

Can you feel it now

Though we rush ahead to save our time

We are only what we feel

And I love you (I love you I do)

Can you feel it now (can you feel it now)

Can you feel it now (can you feel it now)

Can you feel it now (can you feel it now)
