Words and music by Graham Nash and Stephen Stills

We're all on our own  
Look at us all  
How can we not raise  
A voice  
Against the madness  
There isn't the time  
To worry or wait  
'Cause only the young  
Can carry the weight  
And face the silence

Chorus:

Do we run  
Do we stop  
Do we lie down?  
I think not  
There is an answer  
That we've got  
We are not helpless  
The vision will stand  
As blindness will fall  
Now we must look  
For the light  
In the darkness

Chorus:

Do we run  
Do we stop  
Do we lie down?  
I think not  
There is an answer  
That we've got  
We are not helpless
