Words and Music - Stephen Stills

She has seen me changing
It ain't easy rearranging.
And it gets harder as you get older,
Farther away as you get closer.

And I don't know the answer.
Does it even matter?
I'm wonderin' how.

Ten years singing right out loud
I never looked was anybody listening.
Then I fell out of a cloud
Hit the ground and noticed something missing.
Now I have someone,
She has seen me changing,
And it gets harder as you get older,
Farther away as you get closer.

And I don't know the answer.
Does it even matter?
I'm wonderin' how.

Seems like something out of a dream
I had years ago, yes I remember screaming.
Nobody laughing
All the good times
Getting harder to come by without weeping.
