Words and music by Stephen Stills and Michael Stergis

In the time it takes to count

From one to four

I'll be back and asking you

Is there more

Yes it is

All about your loving

I am yours

I can't get enough of your love

Since I met you

Might be all about I like

The things you say

I don't really care (do you?)

Either way

Yeah

Feeling very strong about you

I don't want to live

Without your love

Since I met you

I met you

I became a stronger man

Trying too hard

To prove too much before

If you're trying to relax

Don't ask questions

That will surely tax

You later on

You'll have your answer

Best of all you never worry

But always care

All you need to know is that

I am there

Yes I am

Don't know why you ever chose me

Heaven knows

We certainly have loved enough

Since I met you

Since I met you

Since I met you . . . (repeated)
