Written by Stephen Stills, Joe Vitale & Bob Glaub

I can't stop thinking 'bout her
'Cos she's mighty fine and I would be lying
If I didn't speak up now,
Say what's on my mind, almost any old time.
I'm ready to choose that girl
I couldn't refuse that girl
You'd better not lose that girl
I just might let myself fall in love
That girl is all the woman I'm dreaming of.
So many years you've been a true friend of mine,
But I draw the line and I ain't gonna run no number
But you gotta know if you let her go
I'm ready to choose that girl
I couldn't refuse that girl
You'd better not lose that girl
I just might let myself fall in love
That girl is all the woman I'm dreaming of.
Can't you see, we gotta get to know
How far this can go
You and me we gotta get it right
'Cos this ain't love at first sight
I want you to understand that I can't help myself.
And I'm gonna be right there with you
Only time will tell if it was only me that fell.
I'm ready to choose that girl
I couldn't refuse that girl
You'd better not lose that girl
I just might let myself fall in love
That girl is all the woman I'm dreaming of.
(Choose that girl, refuse that girl, lose that girl.)
