Music: Graham Nash, David Crosby

Lyrics: Graham Nash (c) 1994 Nash Notes. ASCAP

There are things that I forgot to say

As you rushed out of the door

And they're all coming back

To haunt me like before

There are things I wish

I would have said

Before I lost you from my life

As my thoughts are coming back

They cut me like a knife

I can't deal with it

I can't bear to feel this way

I can't deal with it,

I can 't fill these empty days

I can't deal with it

I can't bear to feel this way

I can't deal with it

I can't fill these empty days

Oh, I wish I could have told you

The words to make you stay

'Cause it will take a million years

To fill these empty days

These empty days

These empty days

These empty days
