Words & music by Graham Nash

Look around me  
I can see my life before me  
Running rings around the way  
It used to be

I am older now  
I have more than what I wanted  
But I wish that I had started  
Long before I did

Chorus:  
And there's so much time to make up  
Everywhere you turn  
Time we have wasted on the way

So much water moving  
Underneath the bridge  
Let the water come and carry us away

Oh when you were young  
Did you question all the answers  
Did you envy all the dancers  
Who had all the nerve

Look round you know  
You must go for what you wanted  
Look at all my friends who did and got what they  
deserved

Chorus:  
And there's so much time to make up  
Everywhere you turn  
Time we have wasted on the way

So much water moving  
Underneath the bridge  
Let the water come and carry us away

And there's so much love to make up  
Everywhere you turn

Love we have wasted on the way

So much water moving

Underneath the bridge

Let the water come and carry us away

Let the water come and carry us away
