DO OR DIE

[HOOK]

Step by Step

Step by Step

Through this Night

Through this Night

In my chest

In my chest

There's my guide

There's my guide

I will walk

I will walk

I will fight

I will fight

Follow constadly and never resign no matter what what

If I fall

If I fall

I will stand

I will stand

Up again

Up again

Onto my feet

And if they break

Break my legs

I will fuckin crawl on

Death's the only Way to stop me untill I don't see her up

up

[1.PART]

Do you hear me Bitch,

Heard what I just said,

Heard what I just droped heard.

What just came across my lips yoo,

Came across my lips How.

Gut, denn ich meins 4 sure Todernst,

Gut, denn das ist 4 sure kein Scherz.

U gonna have 2 demand everything

And anything I have of me.

Um ihn zu tÄtten mein Traum,

Um ihn zu brechen mein Willen,
Um ihn zu rauben mein Wunsch und
Mich so far zu bringen

Es zu verlieren, mein Ziel,
Du willst mich assimilieren wie sie
Ich lass dich Dreck fressen
Du Hure an mir beisst du dir die ZÃ¤hne aus
(Szene aus!)

As long as I am able to move my legs
Able to follow my my path
Werd ich das auch tun und zwar mit

Jeder Essence die sich aufbringen lÃ¤sst
Jedem bisschen Herz l'm meinem Brustkorb and
Courage I have in meinen EiersÃ¤cken Werd ich

KÃ¤mpfen wie David, hustlen wie Wall E,
Laufen wie Forest, wÃ¼ten wie Taz.
Herz beweisen wie die 10 von den
Kickers, Bitch, Herz beweisen ooh yeaH.

Mich wehren werd ich als wÃ¤r ich Leonidas
Und sein Heer, aber vor dir auf die Knie
Bitch, niemals I swear!

[2.PART]

I'ma make this one clear
I'ma make this one solid
Even if you achieve to kill me
It's on Bitch

My ghost my spirit my soul gone
Ride on mobilize so strong
Move and motivate vate-vate so raw
Motivate and vate-vate a storm

A fucking legion a Army yearning for light
Gone rise from my grave gone march gone fight
Spit it your face and won't hear your lies

Your fucking words gone be effectless
Your murk gone be effectless
As well as you actions du Hoew
As well as your action you know

It will come down to this it gone happen
You can't stop this shit it's so destined
Why cuz I say sow
(I SAY SOW)

Also show me what you got got komm her greif an
Show me what you go got komm her zeig mal
Was du drauf hast Bitch ich will sehen
Jetzt oder nie jetzt, jetzt oder nie

You better let me see and let me feel
What you got to stop me, cuz best believe
If you wait one minuet to long you will miss me
If you wait one minuet to long you won't hit me

But I won't, won't be that dumb
If I'll get my chance I will hit you up
