Iâ'm trying 2 let the sunshine
Iâ'm trying 2 let the sunshine in oh

[Verse 1]

Iâ'm trying to let the sunshine in to my life
Iâ'm trying to make it trough this night
N let the sunshine in - into my life
Aber das is nun mall nicht so einfach wie
Es erscheint nein
Itâ's hard Motherfucker
It*s ruff Motherfucker
It is cold it is dark it is cruel up in here
Ainâ't nobody gives a fuck
Ainâ't nobody cares bout a boy from the verge of non
Nein keiner schenkt mir was
Liebe ist rar so scars
Aber Dummheit und Intoleranz
Has AggressivitÃt und neid sind dinge u gone find in
this
Night wie Schlampen in Hamburg und schlechte Rapper
In Berlin es ist zu kotzen cuz u know itâ's like man..

But I donâ't cry
No no-no I-I donâ't cry no more Iâ'm strong now
A Jung wild n real Motherfucker
With the heart the to fight for his dreams
Motherfucker thatâ's what I am, I chose my path
To me its do or die all or nothing
Either all ore not at all man
N exactly that why
Somehow, somehow und just irgendwie immer

[Chorus]

Find the sunshine Baby
I will make it trough this night
Directly 2 the 2 the 2 the
To the sunrise Baby
Yep I will open the gates of this hell
N bring the s-shine in, I will
Let the sunshine
I will let the sunshine in

[Verse 2]

So so cold so so dark so cruel
But I canâ€™t cry I g g g got to be strong in this bitch

If I'll do that I might be able to see, to see the, to see
