[HOOK]

See there's no way out. No way out of thiS murk,
it's time to accept every step is just a waste of
resource.

There's no way out. No way out of thiS murk,
it's time to accept your dream..

[1.PART]

What the fuck, what the fuck are you doing men?
What the fuck, what the fuck are you doing there?
What the fuck, what the fuck are you trying to do?
I can't figure it out,
but it looks like you (Äxhm)

Realy trying to get away,
trying to escape.
Trying to find a better day.
trying to escape.
Forget about the fucking pain and
exchange diese diese

Wundervoll, wundervoll kalte Nacht,
voller schmerz, voller trauer, voller hass
voller leid, seelenlosigkeit matsch Dreck,
Heartless ruffnecks mit irgend
einer kack illusion von

da wo die Sonne scheint.
Da wo du einen Namen hast.
Da wo dein Leben zÄxhlt.
Da wo lachen kannst.
Wo du frÄqlich sein kannst.
Wo du glÄ¼cklich sein kannst.

Sag mal bist du, bist du blÄqld man, blÄqld man?
Von was trÄxumst n du Nachts?
Sag mal wer hat dir nur diesen Wurm
in deinen SchÄxdel gesetzt, in dein Gehirn gepflanzt?
fucking jÄ¼Ä¼Ä¼RK

War's vielleicht so ein Held aus nem Buch? Held aus

nem Film?

So ein pseudo Held, der claimed that a poor ass bitch
muthefucka like u could make it
wenn Ã¼rr just believes and hold my men.
Just believes and keeps on my men.

Keep on walking and fighting and striven, believe in
yourself.

You can make it trough this night, if you just believe in
yourself.

Homie das war kein Held, das war ein scheiÃ Penner
auf Crack!

[1.BRIGE]

Cuz there is no such thing, is no hope
is no such thing
is no place
Beyond this night my man
This wonderfull night my man is the only thing
U'll ever see,
and ever know.
U'll ever feel,
and ever taste.
no matter how far u run,
no matter how far u go.

It will not change, no!

Cuz there is no such thing, is no hope
is no such thing
is no place
Beyond this night my man
This wonderfull night my man is the only thing
U'll ever see,
and ever know.
U'll ever feel,
and ever taste.
no matter how far u run,
no matter how far u go.
It will not change, no!

[HOOK]

See there's no way out. No way out of thiS murk,
it's time to accept every step is just a waste of
resource.
There's no way out. No way out of thiS murk,
it's time to accept your dream is just fucking absurd!

There's no way out. Homie no way out of the dark.
It's time to accept, dein Plan ist mal voll fÃ¼r'n Arsch.
Es fÃ¼hrt kein Weg raus, nein! Du wirst leider keinen

finden,
egal was du tust oder machst du wirst sie nicht
besiegen!

[2.BRIGE]

Es gibt kein weg von hier, weg von hier!
Kein, kein weg von hier, weg von hier!
Kein weg von hier, weg von hier!
kein, kein Weg hier raus!

No out of here, out of here!
No, no out of here, out of here!
No way out of here, out of here!
No, no where to run. No!

Es gibt kein weg von hier, weg von hier!
Kein, kein weg von hier, weg von hier!
Kein weg von hier, weg von hier!
kein, kein Weg hier raus!

No out of here, out of here!
No, no out of here, out of here!
No way out of here, out of here!
No, no where to run. No!
