[INTRO]

Once more Iâ€™m a stay strong man
Once more Iâ€™m a hold my head
Once more Iâ€™m a keep up stiff upper lip and
Once more Iâ€™m a stand it all stand in the storm n Iâ€™m
hoping

[CHORUS]

Once more Iâ€™m a stay strong man (one more time)
Once more Iâ€™m a hold my head (my head up high)
Once more Iâ€™m a keep up a stiff upper lip and (even
though itâ€™s so hard)
Once more Iâ€™m a stand it all â– stand the storm n Iâ€™m
hoping

[Verse 1]

That itâ€™ll be the last time that I have to do that
U know Iâ€™m saying the last time
That I have to say
Once more n again zwick ich mir in meine balls
Once more n again
Iâ€™m a raze my middlefingaz n scream fuck it all
Yes fuck it all
All these inequities all this grief, drama n
Motherfucking difficulties
Iâ€™m forced to fuck whit up in here
Man fuck them yes fuck
Simply every little peace of shit
That tries to cut off the interface to my strength
The Interface to my spirit
U know Iâ€™m saying
They can kiss em, they can kiss my ass
I wonâ€™t let them affect me man
Or let them deject me man
Iâ€™ma walk my path
Yep
Itâ€™s hard right now
Probably harder then ever
But I didnâ€™t came so fare 4 nothing
So now I just got to be strong
Man
I got to keep my head up
Once more n again

Once more n again
I have 2 ride like oh

[CHORUS]

Once more IÂ'm a stay strong man (one more time)
Once more IÂ'm a hold my head (my head up high)
Once more IÂ'm a keep up a stiff upper lip and (even
though itÂ's so hard)
Once more IÂ'm a stand it all Â- stand the storm but
IÂ'm hoping

[Verse 2]

That itÂ'll be the last time that I have to do that
U know IÂ'm saying the last time
That I have to say
Once more IÂ'm a step
Into that arena
Mit erhobenem Haupt
Hol alles aus mir heraus
Und zerfetz
die nÃ¼chste verlogene Sau (Yes)
Once more IÂ'm a ram these Motherfuckers down
Once more IÂ'm a let these bitches know what IÂ'm
about
Know, know what IÂ'm about
No they can not make me doubt
No they can not get me down
IÂ'm so fucking resolved now
ItÂ's almost impossible to stop me
Denn Digger ich glaub yep
Digger Ich glaub AN MICH
Even though itÂ's so hard right now
Glaub ich an mich ich glaub an denn shit
Ich glaub das es possible is to make it
U know im saying
Von der Dunkelheit ans licht
And thatÂ's exactly why I ride how I ride
Auch wennÂ's die reinste HÃ¶lle ist
Bin ich verdammt noch mal bereit
mir immer wider zu sagen
(und das solange es eben nÃ¶tig ist !)

[CHORUS]

Once more IÂ'm a stay strong man (one more time)
Once more IÂ'm a hold my head (my head up high)
Once more IÂ'm a keep up a stiff upper lip and (even
though itÂ's so hard)
Once more IÂ'm a stand it all Â- stand the storm but
IÂ'm hoping
