[Chorus]

Somewhere beyond this night man I know I know
There is a place where the sun shines for us n
Somewhere beyond this night man I know we gone
Yep we gone find was uns glÃ¼cklich macht oh
Yeah yeah

[Verse 1]

A place where Iâ€™m not surround by so many people
that are
Always drunk and that are always high
Punks who deplete n drink up bottle after bottle
and take drug after drug,
Just to cope whit their lifeâ€™s

I know somewhere, somewhere
Beyond this night thereâ€™s got to be a place
Wo die Sonne scheint my man
A place where I can rest my head
And get a little bit a Farbe in der Fresse
You know I saying?

Iâ€™m taking about a place
Where I donâ€™t constantly need
To grind my fucking sword
And verify my shield
Cuz I got to be aware
Man I got to be ready
When these wanna be dark Vaderâ€™s
Come up n try to attack me

you know what I man Iâ€™m talking about a place
A place far far away from all drama all this pain
All this tragic all this sadness stress anger n madness
A place where I can einfach nur ma sleep well

[Chorus]

Somewhere beyond this night man I know I know
There is a place where the sun shines for us n
Somewhere beyond this night man I know we gone
Yep we gone find was uns glÃ¼cklich macht oh

[Verse 2]

I know it man I know it somewhere beyond this night
Somewhere Beyond all this trouble n efforts
All these fences n bone breaking battles with all sorts
N kinds of devils
There is a place a place where Iâ€™m a get

Finitely n after all the chance to be happy
The chance to smile
U know what I mean Â.....
A place where I can find
Harmony n love und time
Keine Rolle spielt
Weil es einfach unmÃ¶glich ist sie

dort zu vergeuden
Weil ich dort tu was mir spaÃ macht
Mit freunden vor freude
Lach tanz und spaÃ hab ohne auch nur eine Sekunde
Daran zu denken wie bitter trist hart und
beschissen dunkel es einmal
in meinem Leben war denn dann hab ich ja
Ã¼berwunden
dann is es nicht mehr dunkel, nein
dann bin ich endlich angekommen wo ich ankommen
wollte
Unzwar somewhere beyond this night
da wo die Sonne fÃ¼r mich scheint yo

[Chorus]

Somewhere beyond this night man I know I know
There is a place where the sun shines for us n .
Somewhere beyond this night man I know we gone
Yep we gone find was uns glÃ¼cklich macht oh .
Yeah

[Brige]

I know it man I know
I know it man I know
I know it man I know
I know it man I know there got to a better place
somewhere
Somewhere beyond this night
Somewhere beyond this night
Somewhere beyond this night
There is got to be a place wo die Sonne fÃ¼r uns
scheint
4 us
Yes 4 us
Yes Biatch
and thatâ€™s why I walk

and hat's why I fight cuz I know I know I know

[Chorus]

Somewhere beyond this night man I know I know

There is a place where the sun shines for us N

Somewhere beyond this night man I know we gone

Yep we gone find was uns glücklich macht oh
