Why hate?
I'm a strong believer
Why feel?
It's just as I see
Why care?
What more can I do?
Why LIVE?
Is it all that I need?
Why want?
Searching my feelings for
Why fear?
For all that is numb
Why hate?
It is all that I've ever known?
Why HATE?
It is all that I'll ever know?

Display it in another form
All I ask is nothing but what I expect from my fucking
self
What is blame? What is blame?
I have given all that you have given, I know you the
fearful

Always wanting never learning why must I take all the
blame?

Why complicate life?

The world waits for no man and nothing
Why be frightened of my view of you?
Blood running through your mind is now numb
Wanting but waiting and wasting your final chance
Follow the one, follow the one, follow

Why complicate life?

The world waits for no man and nothing
Why be frightened of my view of you?
Blood running through your mind is now numb
Wanting but waiting and wasting your final chance

Follow the one, follow the one, follow?
