So hungry for what I seek
I, I, I strive for the best

My struggle is all I see
I, I, I'll never forget

You've seen it hurts me not to fight
But in the world it is right

Follow what you're told to be truthful
And hold on for a rough ride

So hungry for what I seek
I, I, I strive for the best

My struggle is all I see
I, I, I'll never forget

You've seen it hurts me not to fight
But in the world it is right

Follow what you're told to be truthful
And hold on for a rough ride

You've seen it hurts me not to fight
But in the world it is right

Follow what you're told to be truthful
And hold on for a rough ride
