Arms, legs, feet, hands all limbs are gone,
Flesh torn life loss blown to black dust,
Torn earth seeks death blood is on ground,
Feel the grim pain it is your fault,
Once maimed you fall force is so strong,
Got what you wish? last chance for more,
Wounds all open to the heavens,
Skull is intact limbs won't grow back,
No end is near used to be bold,
Can not get help, chanced your life well?
Eyes are so blind to the horror,
Feel the grim pain it is your fault,
Call to arms you do not have,
Cause torn flesh is now all that's left,
And i can see your juices drain out,
Like a body that is apart,
Got what you get i can see that,
Life calls to me and paints grim death,
What we live in i do not know,
I'm not a god but i think so,
You've had your chance used to have hope,
Lost now in hell feel your life fall,
Not one to run i'll bare this world,
I am so strong your life is gone,
No time for weak you are a sheep,
Can not get help no hope for you,
Now i tell you your chance is gone,
Time for you too, i'll burn in hell,
My chance is here with your lost kind,
From the start you've had not much time,
Not one to run i'll bare this world,
I am so strong your life is gone,

Got what you get i can see that,
Life calls to me and paints grim death,
What we live in i do not know,
I'm not a god but i think so,
You've had your chance used to have hope,
Lost now in hell feel your life fall,
Not one to run i'll bare this world,
I am so strong your life is gone,

No time for weak you are a sheep,
Can not get help no hope for you,
Now i tell you your chance is gone,
Time for you too, i'll burn in hell,
My chance is here with your lost kind,
From the start you've had not much time,
Not one to run i'll bare this world,
I am so strong your life is gone.
