Memory apart after opening
Feel nothing; The dream is gone
Spinning in a mind overflow,
Dream what reality cannot
Ever make you understand
A vision to bring back the sense of the world
Deranged senses
Become defenses
These are the visions I don't want to keep
The mind tortures itself constantly without meaning
Painless
Means out of me
Every trace
Burn the skin
Sow the heart with salt
All thought gone
Painless
Means out of me
Every trace
Burn the skin
Sow the heart with salt
All thought gone
Numb is peace
Numb is peace
This is the dawn in which the prey take courage and
turns on the predator
It is the dawn in which the underdog finds the strength
to rebel
Nothing disoriented them mighty more than the attack
of those how have always feared
Them in the past.
Can't allow
One to be
What we cannot
We'd hurt somehow
They saw your dreams
Which means they saw your fear
Which means that they must disappear
Hold the matches
Scared is tough
When you're numb

The fear's enough
When you're tired
Sleep forever
We have work now
These are the visions I don't want to keep

Painless
Means out of me
Every trace
Burn the skin
Sow the heart with salt
All thought gone
Painless
Means out of me
Every trace
Burn the skin
Sow the heart with salt
All thought gone
Numb is peace
Numb is peace
