I'm gonna wait
Til the midnight hour
That's when my love
Comes tumbling down

I'm gonna wait
Til the midnight hour
When there's no
One else around

I'm gonna take you
Girl, and hold you
And do all things I told you
In the midnight hour

I'm gonna wait
Til the stars come out
And see the twinkle
In your eyes

I'm gonna wait
Til the midnight hour
When my love
Begins to shine
(Shine)

You're the only girl I know
That really loves me so
In the midnight
In the midnight hour

I'm gonna wait
Til the midnight hour
That's when my love
Comes tumbling down

I'm gonna wait
Til the midnight hour
When there's no
One else around

I'm gonna wait

Til the midnight hour
Gonna wait til
The midnight hour
Gonna wait til
The midnight hour
Gonna wait til
The midnight hour...
