Once in your life you will find her
Someone who turns your heart around
And next thing you know
Yorre closing down the town
Wake up and its still with you
Even though you left her way across town
Wonderin to yourself
Hey what have I found

When you get caught
Between the moon and New York City
I know its crazy but its true
If you get caught
Between the moon and New York City
The best that you can do
The best that you can do
Is fall in love

Arthur, he does as he pleases
All of his life his masters toys
And deep in his heart hes just
Hes just a boy
Living his life one day at a time
Hes showing himself a pretty good time
Hes laughing about the way They want him to be
