Words by Christopher Cross and Will Jennings

Music by Christopher Cross

Keeping it straight is still the hardest part

Living the truth inside your heart of hearts

I sang a song that you believed

You came inside -- don't ever leave

You are the one who really matters

I had a dream that carried me

You are the one who set it free

You are the one

And around and around and around

The world has always turned

I wanted warmth -- your love burned

You gave it all -- I won't do less

Maybe you know but I'll confess

That you are the one who really matters

I had a dream that carried me

You are the one who set it free

You are the one

We see the things no one else can see

There is a way for you and me

We will be the ones

And in the music

There are words that say

Everything that you feel today

Every time I'm lost out in the night

I look for memories of light

You are the one I want to see

You are the one who reached for me

You are the one who really matters

We saw the things no one else could see

There was a way for you and me

We were the ones

And when someday comes along

The love we gave will still go on

We will be the ones
