Words and music by Christopher Cross

It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel tonight
Sometimes love just slips out of sight

Just one thing before you go
Just one thing that you've got to know
No one will ever touch me that way
The way that you did that very first day

And I'll
Never be the same without you here
I'll live alone
Hide myself behind my tears
And I'll
Never be the same without your love
I'll live alone
Try so hard to rise above

The years go by
There's always someone new
To try and help me forget about you
Time and again it does me no good
Love never feels the way that it should

I loved you then I guess I'll love you forever
And even though I know we could never stay together
I think about how it could have been
If we could just start all over again

It was good for me
It was good for you
Now nothing either of us can say or do
Can change the way you feel today
Sometimes love just slips away
