Words by Christopher Cross and John Bettis

Music by Christopher Cross and Steve Dorff

I never had anything happen so fast
I took one look and I shattered like glass
I guess I let it show 'cause your smile told me you knew
That you're everything I ever wanted at once
There's no holding this heart when it knows what it
wants
And I never wanted anything more than to know you

I was swept away
No one in the world but you and I
Gotta find a way to make you feel the way that I do
I was swept away
Without a warning
Like night when the morning begins the day
I was swept away

And so it begins
This journey of love
The summer wind carries us to places all our own
The words of a look
The language of touch
The way that you want me means so much
And I never wanted anything more than to love you

Seeing my tomorrows in your eyes
I was swept away

I hope I wake up soon
I'm a victim of that crazy moon

The very first time you said my name
I knew it would never sound the same
Something about me is changed forever
