I'm a hot lover, I'm a sinner indeed So
Let's stop the talking, yeah Girl, ya know what I need
Lock me up and throw away the key
Wind me up and feel the heat
(Chorus:)
I'm burnin'! burnin' up inside
I'm burnin'! you got no place to hide
I'm burnin'! honey I'm a bad boy
I'm burnin'! your'e gonna feel the heat tonight!
Why don't you say what's on your mind?
Let's get together, I'll show you a good time...
I think ya know what I wanna see
Take off your clothes, babe, and burn with me!
Stop wastin' time and I'll make you mine
We're making love Tonight!
(Chorus)
