Visit "[Never Give It Up](#)" on MotoLyrics.com

Deep in your heart there's a dream
You wanna be number one
So never forsake the burning desire
Your time will come

If you think you got what it takes
Roll the dice, boy, it's you against the stakes

(Chorus:)
Never give it up, give it up
Trying, getting to the top
Never give it up, give it up
Don't ya, let them make you stop

There are some risks that are worth taking
If you wanna get somewhere
Touch the sky, you're gonna make it
Well, you just have to dare

You know there ain't no easy way to glory
You're gonna get there if you're strong

(Chorus)

Never let go of your dreams and you know
It will come, the best time of your life!
