"On Fire"

Visit "[On Fire](#)" on MotoLyrics.com

she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)

dance, get ready to party
move ,he starting it nauty
shake,here come shake your body
dance move shake it baby
dance, get ready to party
move ,he starting it nauty
shake,here come shake your body OHH

she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)

the way she looking at me got me feeling kinda sprunk
i can notice in her eyes that fire burn real strong
the closer that we get i sense the heat rising up
like a magnet to the steel i feel my body splinging up
she's so special, super natural
that when she rise then she hits to dance on
that's why

she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)

dance, move, shake , dance move shake it baby
dance, move, shake OHH
want it, have to ring the alarm
want it,cut the blaze get it done
want it, just like a tropical storm
whinin up whinin up
want it,make me rise by a trump
want it, and by the way she perform
want it,she going up like a bum
fireing up fireing up

she's hot so then she risk everything im in request
from the way pumps the flez to the way she dress
she got my mind upsess, body oversess
why ya blaze when she hits to dance up
that's why

she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)

dance, get ready to party
move ,he starting it nauty
shake,here come shake your body
dance move shake it baby
dance, get ready to party
move ,he starting it nauty
shake,here come shake your body OHH

she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)
she got a body on fire
so hot when she moves from the floor
she got a body on fire
she's blazin and burning for shure (for shurex3)
