Verse 1

I don't know how to put into words
or try to explain the way I feel.
You're so beautiful in every way.
For me you're the girl who is ideal.

Chorus:

And I don't know what to say or do
My heart feels empty without you.
And these words I will forever sing
That for you I would do anything.
And I'm bound and broken without you.

Verse 2:

I don't know why but I'm fighting the tears
Cause I can't stand to be without your touch.
And I've never felt this way before
I care for you so much.

Chorus

Bridge:

And I tell you if I had to cry for you I could
And I tell you if I had to die for you you know I would
I'd do anything for you

Verse 3:

If I could describe the perfect girl
You have her every trait
And I don't want anyone else
I know you're worth the wait.

Chorus:

And I don't know what to say or do
My heart feels empty without you
And these words I will forever sing
That for you I would do anything
And God only knows what our future holds
He's always there He's in control
If it's his will then I'm sure
That someday we'll be together

And I'm broken without you
I want you to know how much I care for you
My heart is aching without you.
