Hate arise. from grudge
drown or be drowned
rekindled. to a new day suffering
left behind. of the past innocence
condemnation
in this brave new world
of old fashioned virtues
will requital be the passion
will destruction be the martyr

will love be your sudden death
condemnation
in this brave new world
of old fashioned virtues
will requital be the passion
will destruction be the martyr
will love be your sudden death
choke the seeds.
drown or be drowned
