Love kills. love kills  
excessive love...  
suffocate without recognizing...hell  
thrown into mephistophelean love  
daily ordinary nightmare  
confirm love to exist threadbare  
i'll behaviour torture...the end...  
suicide murder  
love kills. love kills

excessive love... suffocate and create hell  
aggression. depression inside of me  
hatredlove as daredevil conviction  
excessive love create my hate  
bloody hands are not unseen...  
oh demon!  
suffocation
