Ooooh oh baby

All I wan, all I wan, all I wanna do ooh

All I wan, all I wan, all I wanna do

Once, once in your lifetime you'll find that special one

The 1 you really need

I sit and wait for the day you'll come & say

Your the one for me

Baby if you want it you've got it

Tell me what can I do, so in love with you

Baby if u want it you've got it

I promise I'll treat u right, wanna b right by your side

All I wanna do (all I wanna do)

Is spend some time with you

All I wanna do (all I want, all I wanna do)

Is spend my life with you

Na nana nana, nana nana nana na nana na (ooh)

Na nana nana, nana nana nana na nana na (ooh na)

All I want, all I wanna do, do

Is be with u, so tell me what u wanna do

Check the flavor I'll be givin

Tell me how you're livin'

I got the funk that u need

And I'm breakin it, slinging it

Right, in, over u

Let's come by cause I wanna b near u

Hotter than sex, complex I'm not

But yet it's true, it's u i wanna rock

So bring it on, keep it on, u got it going on

Let me get funky till the break of, break of dawn

I specialize and it's to make u, break u &

Make u stress, so let's get wet

I've been watching u for a long time

Looking at your hips and not behind

So let's get together and let me know when

Cause in my book you're a perfect 10

Baby if you want it you've got it
Tell me what can I do, so in love with u
Baby if you want it you've got it
I promise I'll treat u right, wanna be right by your side

Oooh, get freaky now

Oh baby cause you know just what I like
And I know just what I need
But I want you by my side
And I know I will succeed
