Smile, if you want me back,  
Baby, smile stay on this track.  
Smile if you want me back,  
Baby, smile stay on this track,  
Stay on this track.

Remembering how it used to be  
We were happy but we could not see  
That life has changed and all the funny things  
Are blown away with your diamond rings  
Money has caught you in  
A prison of a loving thing  
The twinkle in your eyes is gone  
The money that has made you wrong  
Discontent with only love  
And happy with your dirty stuff

Smile, if you want me back,  
Baby, smile stay on this track.  
Smile if you want me back,  
Baby, smile stay on this track,  
Stay on this track.

I love to see you smile every day and night  
I am the man to make you feel right

Hold you in my arms tight  
My love for you is out of sight  
I Never met a woman like you  
Now the skies are all ways blue  
When you're gone I wish you ware back  
Smiling, stay on this this track

Yesterdays we just talk all night  
We were happy everything was right  
But now you're changed  
Don't listen anymore  
There's only one thing were you're livin' for  
Money has caught you in  
A prison of a loving thing  
The twinkle in your eyes is gone  
The money that has made you wrong

Discontent with only love  
And happy with your dirty stuff

Smile, if you want me back,  
Baby, smile stay on this track.  
Smile if you want me back,  
Baby, smile stay on this track,  
Stay on this track.
