The sun will be shinin' tonight
This night is forever, hold tight
The sun will be shinin' so bright
This night is forever, forever and ever
The sun will be shinin'

Esta noche a al playa
Come to the party at he baya
No more worries, no more stress
Relax yourself, dress to impress
Mamacita what's the deal

Tell me baby how you feel
Fiesta perfect timin' sun is always shinin'

Now I chill drinkin' tequila
Party on tonight, wanna see ya
Bring who ever, never say never
Come together in this weather
Gotta get some when I lick 'em
Fiesta perfect timin' sun is always shinin'
