"Alone Again"

I can see that this obsession's haunting me
And that she's the angel of my fantasy
And with you, yeah we possess totality
But a fool would think that's it reality

Every time I find it
I'm alone again
In these walls of silence
I'm alone again

By my side you reinvent the universe (blessing me)
But I know, yeah baby
The fact that I'm forever cursed
Listen

Every time I find it
I'm alone again
In these walls of silence
I'm alone again

There you face me
A beauty that is heaven sent
(No there ain't no doubt about it)
But I chase a fading rainbow
That is at it's end

Repeat Chorus
